Ballou's Monthly.-This is an elegant lishment last night, with Mr. Munboch in his

ability, to buy up half Memphis, but not the subordinates are required to adopt their recommending it to his countrymen.

CLEARING OUT.—The fine weather of the wherever the starring system prevails. Neither past few days has allowed the managers at the do we wish to hide from view their defects, or Charleston depot an opportunity of proceeding actively in removing the stocks of cotton that have accumulated there. Yesterday a thousand below were hauled off and to-day twelve bundred more will follow. By Saturday night, unless the weather should be wet, but little unless the weather should be wet, but little when the weather is not so bad, in order that mail.
